

You may cancel your subscription at any time without being obligated to future charges. A handy “unsubscribe” button on my JOIN page takes you to the right place on PayPal for canceling or suspending the recurring fee cycle that keeps your membership up to date.

Members are expected to take personal responsibility for managing their subscriptions, according to their own inclinations for starting and stopping their fee cycles. On PayPal, *Cancel* means to stop the fee cycle and eliminate the membership. *Suspend* means keep the membership but stop processing the fees until a later time.

Refunds are awarded for dissatisfaction, or if the subscription was initiated in error. Refunds are not typically awarded just because you forgot to cancel yourself.

Please email [Christine@christineslist.org](mailto:Christine@christineslist.org) if you feel you deserve a refund. I'm reasonable and will work with you.
